t.v. flashes window in
window's wide sight:
big guy in vest jumps
up behind blown rose
flicker white in colour

prow push to shove
fence out, leylandii up
& round long held *for*
sale or sold garden boat
grounded at dusk

woman in red top
feeds fox at lit door
frame intimate until us:
lifts bowl, turns
light off, door shuts

hearts hang inside
cold closed summer
houses: few vent
smoke, few gleams
car corners statuary
